Example Birame plays the part of a native 'informant' who can translate the local culture for her. It seems very likely that different responses were obtained from the same "informants", with variations in the context of the interviews. As spectators, Geough's "informers" occupy so many God-like vantage points during the course of the saga that it is hard to imagine that they were actually at any one of them in particular. Translation and meaning of informant in the telugu Italian dictionary. 'I'm sorry, they will never be angels,' he said about the 'whistleblowers'. An even greater difficulty is due to Doreen Kartinyeri's claim that Aunt Rose, Nanna Laura and Grandma Sally, the three women she called her 'informants', were all Christians. They accused him of relying too much on facts learned from "informants" who helped build the government's criminal case against the defendants. It has been alleged that information provided by an "informant" to the Special Branch in Dublin, which, if acted, could have obstructed the terrorists, was never passed on to the RUC. In 1854, Rae learned of the end of the expedition from Inuit "informers" and obtained the relics that had undoubtedly come from Franklin's crew. Two scores were obtained from each 'informant' version of the scale: the number of conflicts and the average intensity of anger. Columbus records it during his first journey as the name of a people that his "informers" fear for their ferocity. To ensure that the latter objective is achieved, I have discussed and modified the structure on the basis of conversations with key informants. Tags: informant meaning in telugu, informant ka matalab telugu me, telugu meaning of informant, informant meaning If the statements of Moses are true, the next question that comes to mind is: Are there any other native 'informers' out there? Most of it. Guli 'informathers' ARE YOU BACK'S CHARGE AND PROVIDE TO LIFE FOR OWNING INTEREST. The triparticism allows lor to extend the loro supervision use other stakeholder as "informators" the change of change.
